Dear Referring GP,

RE: Request for Referral (Eating Disorders)

Your patient has approached us because they are interested in seeing our psychologists and/or our dietitians specifically for an eating disorder. We have discussed with them the option of receiving Medicare rebates through the Eating Disorder Management Plan (EDMP) and have advised them to discuss this further with you.

Please refer to information from the Department of Health Medicare website to ensure the client meets eligible criteria.

The details of our clinicians should already be on your system but if they are not, please simply put "Self Reflections" and we will allocate the client based on their needs to our psychologists and/or dietitians.

Once the relevant paperwork has been lodged, your referral can be faxed to us directly or given to the patient to pass onto us at their first appointment.

If you have any questions regarding this referral request, please don't hesitate to contact us on 4288 4157.

Kind regards,

Klaudia Gebert
